

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF REIDLAND WATER AND)	
SEWER DISTRICT OF MCCrackEN COUNTY,)	
KENTUCKY FOR A CERTIFICATE OF PUBLIC)	CASE NO. 95-532
CONVENIENCE AND NECESSITY TO CONSTRUCT,)	
FINANCE, AND INCREASE RATES)	

O R D E R

On November 29, 1995, Reidland Water and Sewer District applied to the Commission pursuant to KRS 278.023 for a Certificate of Public Convenience and Necessity to construct a wastewater treatment plant, approval of proposed financing, and approval of increased rates. While the application was docketed as Case No. 95-532, it could not be accepted for filing as it was improperly submitted. KRS 278.023 only applies in cases involving construction projects financed by the U.S. Department of Agriculture or the U.S. Department of Housing and Urban Development. As there is no such financing involved in Reidland's proposed construction, which is to be financed through a loan from the Kentucky Infrastructure Authority, the Commission requires a substantial amount of additional financial information.

As KRS 278.023 was irrelevant to Reidland's proposal, on December 27, 1995, the Commission issued an Order which gave Reidland 30 days to amend its application and to submit the additional documentation required pursuant to the proper statutes and regulations. While Reidland did file an amended application, it again failed to submit all of the additional documentation as

directed by the Commission's December 27, 1995, Order. Reidland should therefore be given an additional 30 days to further amend its application and to submit the additional documentation required pursuant to the proper statutes and regulations. If the application has not been so amended after 30 days, this case should be removed from the docket without further Order of the Commission.

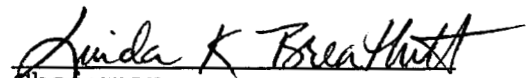

IT IS THEREFORE ORDERED that:

1. Reidland is granted 30 days from the date of this Order to further amend its application and to submit the additional documentation required pursuant to the proper statutes and regulations. See Attachments. Any information previously submitted under this case number need not be resubmitted, but may be referenced in the additionally amended application. When reference is made to information previously submitted, such reference shall be specific as to exhibit and page number.

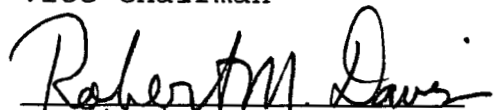

2. If Reidland has not so amended its application within 30 days of the date of this Order, this case shall be removed from the docket without further Order of the Commission.

Done at Frankfort, Kentucky, this 22nd day of February, 1996.
